AURIGA

Auriga + Auriga Mesh: spacious & light.

a> Two entrances, each backed with mosquito netting, optimize ventilation, reduce condensation and provide dual escapes. Vent hoods are secured by pole repair supports.

b> Large vestibules offer easily accessed, personal storage spaces, even from inside a sleeping bag. The canopy has a generous floor plan, ideal for long days in the tent or warm nights.

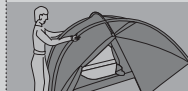

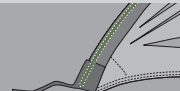

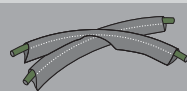

c> Storm proof: With its near freestanding design, Auriga requires few stakes. Numerous premounted guylines packed in Exped "Cord Stuffsacks" for weatherproof stability.

d> Easy handling day or night, zippers have color coded, reflective and glow-in-the-dark pulls that can be easily operated with one hand.

> **Continuous pole sleeves** ensure unobstructed insertion of poles. Reinforced cross section for durability.

> **External pole sleeves** and adjustable pole tension pockets ensure quick and easy setup.

> **Freestanding Auriga** pitches without stakes and is easily moved to any suitable spot. To clean, just lift overhead and shake out.
